

FOUR WINDS SUPREME WARRANTY

Four Winds Manufacturing, Inc. warrants spas under the following terms and conditions. The following warranties shall apply to any Four Winds Manufacturing, Inc. brand spa manufactured after January 1, 2003. See owners manual for further warranty details.

Lifetime Limited Structural Warranty

The shell of the spa is warranted to be free of water loss due to defect in the spa shell for a Lifetime Limited from the date of purchase. This limited structural warranty does not apply to attachments to the shell, such as plumbing, fittings, and other apparatus.

5 Year Limited Surface Warranty

The interior surface of the spa is warranted against water loss due to fading, blistering, cracking, and delamination in the surface materials for a period of 5 years from the date of purchase.

5 Year Limited Plumbing Warranty

The PVC plumbing and PVC fittings of the spa are warranted to not leak at their glue joints for a period of 5 years due to defects in workmanship and materials. O-rings, pump seals and unions are not covered in this warranty.

2 Year Limited Equipment Warranty

The control system, equipment components and controls of the spa are warranted for 2 years on parts against defects in workmanship and materials. Pump seals, o-rings, pillows, spa cabinet, stainless steel trim, trimlok, and insulating covers, or any part affected by chemical imbalance is not covered under warranty.

'Extended warranty available through Dealer Programs'
